Search According to Application / Método de Busca por Aplicação / Método de Búsqueda por Aplicación

Find the bearing that corresponds to the model and application:

- A** Know the vehicle brand name.
- B** Find the model.
- C** Look inside the model for the application specifics.
- D** Determine the part of the application it belongs to.
- E** Select the appropriate bearing.

Conhecendo o modelo e a aplicação para buscar o rolamento correspondente:

- A** Localizar a marca do veículo.
- B** Depois localizar o modelo.
- C** Dentro de modelo buscar a aplicação do veículo.
- D** Localizar a parte da aplicação de que forma parte.
- E** Finalmente seleccionar o rolamento necessário.

Conociendo el modelo y la aplicación para buscar el rodamiento correspondiente:

- A** Localizar la marca del vehículo.
- B** Después localizar el modelo.
- C** Dentro del modelo buscar la aplicación del vehículo.
- D** Localizar la parte de la aplicación de la que forma parte.
- E** Finalmente seleccionar el rodamiento necesario.

Search according to OEM Number/ Método de Busca por N° OEM / Método de Búsqueda por N° OEM

If you know the OEM number:

- 1 In the OEM reference List table (page ---) look for the corresponding Fersa reference.
- 2 Find the Fersa reference in the table under the heading Applications by part number (page ---). Please be sure to verify the application referenced.

No caso de possuir o número de referencia OEM:

- 1 Busque o número de referencia OEM na tabela Lista de referência OEM (pág. ---), anote a referência Fersa correspondente.
- 2 Busque a referência Fersa na tabela Aplicação por número da referência (pág. ---), e verifique a aplicação.

Si usted tiene el número de referencia OEM:

- 1 Busque el número de referencia OEM en la tabla Listado de referencia OEM (pag. ---), apunte la referencia Fersa correspondiente.
- 2 Busque la referencia Fersa en la tabla Aplicación por número de parte (pag ---), y verifique la aplicación.

Fersa Bearings

During these last forty five years Fersa Bearings has been able to strengthen its image as an innovative European manufacturing company. Our product and market experience, our R&D capabilities, our access to the latest manufacturing technologies and the efficient management of our supply chain, has positioned Fersa as one of the top suppliers in the global bearing market.

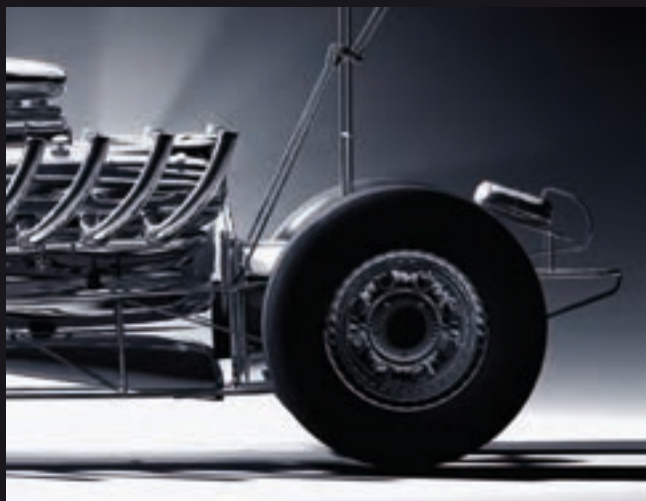

Fersa is present in five continents thanks to an excellent customer service, constant product innovation and the effort to exceed our customers' expectations.

A key element to our global expansion has been the commitment made by our distributors in increasing every year our penetration in the various markets, establishing Fersa as a top brand name in the industry.

Thanks to this joint effort in developing new products and to the constant improvement of our processes we have been able to increase the number of references featured in this catalog.

Innovation, customer support and 40 years of experience are the underlying forces that guarantee the quality of our bearings and of our service; but it is a **passion for quality** that drives Fersa Bearings for constant improvement and customer satisfaction.

It is with this in mind that we hope the information contained in this catalog will be of interest and use to you.

Ao longo dos últimos quarenta e cinco anos, na Fersa Bearings reforçamos a nossa imagem de empresa europeia com carácter inovador, onde a nossa experiência em produto, capacidade de engenharia, acesso às mais altas tecnologias de fabricação e eficiente gestão da cadeia de fornecimento, nos permitiram ocupar atualmente um destacado lugar entre os principais fornecedores deste tipo de produto.

Atualmente estamos presentes nos cinco continentes, graças ao esforço e à dedicação de toda a equipe Fersa, em que o serviço ao cliente, a inovação constante e o esforço diário para excedermos as expectativas em nós depositadas são o nosso principal elemento distintivo.

Um fator fundamental na nossa expansão foi o compromisso adquirido por parte dos nossos distribuidores para potenciar a nossa presença nos diferentes mercados, fazendo da Fersa uma marca de prestígio.

Graças a esta estreita colaboração no desenvolvimento de novos produtos e ao constante melhoramento dos nossos processos, fomos aumentando o número de referências que estão registadas neste catálogo.

A inovação, a assistência aos clientes e a nossa experiência são os nossos principais motores para que possamos garantir a qualidade dos nossos rolamentos e do nosso serviço, sem nos esquecermos de que a **paixão pela qualidade** faz com que na Fersa tenhamos sempre novos desafios a enfrentar.

Por esta razão esperamos que as informações registadas neste catálogo sejam do seu interesse.

A lo largo de los últimos cuarenta y cinco años, en Fersa Bearings hemos potenciado nuestra imagen de fabricante europea con carácter innovador, donde nuestra experiencia en el producto, la capacidad de I+D+i, el acceso a las más altas tecnologías de fabricación y la eficiente gestión de la cadena de suministro, nos han permitido ocupar en la actualidad un destacado lugar entre los principales proveedores de rodamientos.

Actualmente, estamos presentes en los cinco continentes gracias al esfuerzo y la dedicación de todo el equipo Fersa, en el que el servicio al cliente, la innovación constante y el esfuerzo diario por superar las expectativas depositadas en nosotros, son nuestro principal elemento distintivo.

Un factor clave en nuestra expansión ha sido el compromiso adquirido por parte de nuestros distribuidores para potenciar nuestra presencia en los diferentes mercados, haciendo de Fersa, una marca de prestigio.

Gracias a esta estrecha colaboración en el desarrollo de nuevos productos y a la constante mejora de nuestros procesos hemos ido aumentando el número de referencias que quedan recogidas en este catálogo.

La innovación, la asistencia al cliente y nuestros 40 años de experiencia son nuestros principales motores para garantizar la calidad de nuestros rodamientos y de nuestro servicio, sin olvidar que la **pasión por la calidad** hace que en Fersa tengamos siempre nuevos retos que acometer.

Por esta razón esperamos que la información recogida en este catálogo sea útil y de su interés.

- Fersa Bearings is a European bearings manufacturer with more than 45 years experience dedicated to the design, manufacture and distribution of bearings worldwide.
- The headquarters of the company, as well as the central manufacturing plant for Europe is located in Zaragoza, Spain.

Fersa also has a sales/engineering office in Brazil and a distribution network that covers more than 67 countries.
- Because innovation is a constant mainstay of Fersa Bearings, the product catalogs incorporates year after year the new references developed at CBE *Center for Bearings Excellence*.

6% of our sales are invested in R&D every year to provide customers with the latest technological innovations.

- A Fersa Bearings é um fabricante europeu de rolamentos com uma longa experiência de mais de 45 anos de dedicação à inovação, fabricação e distribuição de rolamentos em todo o mundo.
- Os seus escritórios centrais situam-se em Zaragoza, (Espanha) onde se encontra o seu centro de fabricação na Europa.

A Fersa conta, além disso, com um escritório técnico-comercial no Brasil e uma vasta rede de distribuição em mais de 67 países.
- Para a Fersa Bearings a inovação é uma constante e, por isso, o catálogo de produtos vai incorporando, ano após ano, as novas referências desenvolvidas a partir do Centro de excelência de rolamentos, (CBE).

6% das vendas são reinvestidas todos os anos na colocação da nossa capacidade tecnológica inovadora a serviço de nossos clientes.

- *Fersa Bearings es un fabricante europeo de rodamientos con más de 45 años de experiencia dedicado al diseño, la fabricación y distribución de los rodamientos en todo el mundo.*
- *Sus oficinas centrales se localizan en Zaragoza, España, donde se encuentra su centro de fabricación en Europa.*

Fersa cuenta además con una oficina comercial y de ingeniería en Brasil y una extensa red de distribución que cubre mas de 67 países.

- *La innovación es una constante para Fersa Bearings y por ello el catálogo de productos va incorporando año tras año las nuevas referencias desarrolladas desde el Centro de excelencia del rodamiento, (CBE).*

Cada año el 6% de la facturación va dirigido a actividades de I+D para poner al servicio de los clientes los productos de última generación.
