

# Pinion Module

## READY TO INSTALL, READY TO GO

We unify the components in a single piece, we reduce its weight and we pre-adjust so the only thing that you have to do is assemble it.

This facilitates its handling and its efficiency, ensuring the success of your replacement.

### ONE SINGLE PIECE FOR THE PERFECT REPLACEMENT

Product's optimal geometry and its improved and rigid design reduce deflection on the gear mesh point during dynamic loading conditions. This leads to a reduction on the leaking chances and guarantees the lifespan of our product.

### FAST, EASY & SECURE

Our new Pinion Module is Fersa's complete solution that includes all the components placed on the pinion hub.

In this way you save time, money and working time.

Fersa part number: **F 15321**

#### Application:

MERITOR: MS17X

VOLVO: RS1228B / RS51344B / Rockwell U177

#### OEM:

IVECO: 42546418

MERITOR: A3226Z1456

RENAULT TRUCKS: 7420366532

VOLVO: 20366532
